THE MAN WITH GRIT.

It seems to me enough's been said About the man an' hoe, An' not enough about the chap Who needs to hoe the row; An' who's a waitin' 'round fer work, An' keepin' in a stew, Becuz the age has cheated him Clean Plumb Through!

I'll tell you what I think, my man, You'll get your dividend About the time this busy world Is roundin' up the end, Fer work's the thing that makes her go, An' that ain't nothin' new, An' he that shares must be a man Clean Plumb Through!

If you have got a brawny hand, An' level head, you bet Ther ain't no way o' cheatin' you Of things you'd ought to get; In all the prizes won by man Ther ain't but very few That can't be had by workin' hard Clean Plumb Through!

'Tis courage gets the hoein' done, An' digs the taters up, An' earns the drop o' sweet to mix With sorrow's bitter cup; An' he's a fool who dasset hope, Ther chances be but few, An' shows he's made of flimsy stuff Clean Plumb Through!

So quit your seoldin' 'bout your fate An' rallin' round at luck, But ketch a holt, an' get a grip On reg'lar common pluck; An' do with all your might an' main The things you hev to do, An' get your teeth an' be a man Clean Plumb Through!

THE PIGEON SHOOT.

Mr. Thomas A. Keith Brought Down the Most Birds.

Yesterday afternoon at the Fairgrounds occurred a live pigeon shooting contest that was full of interest to those who took part in it.

For several days past several young men have been scouring the neighborhood for pigeons for this occasion, and the way they were slaughtered yesterday made the boys feel like a pigeon shoot every week was just the thing, as they received a good round sum for the fowls.

The contest was under the auspices of the Maysville Gun Club, but owing to the unsettled state of the weather but few were out and several who took part in the shooting are not members of the club.

As will be seen by the following score, Mr. Thomas A. Keith did the best shooting, the score showing the names and number of birds killed as a whole:

Thomas A. Keith.....10
C. D. Russell.....6
C. B. Davis.....6
S. A. Shanklin.....6
Dan Shafer.....5
R. H. Newell.....3
W. G. Green.....2

The entrance fee was \$1.40, and Mr. Keith having killed the largest number of birds, received as a prize \$3.50, Mr. Russell \$2 and Mr. Shafer \$1.40.

After the regular contest Messrs. Keith and Shanklin took 10 birds each, and out of that number Mr. Keith killed 10 and Mr. Shanklin 7.

Mr. Thomas Foster will shortly resume the publication of The Ripley Record.

New Mexico contains nearly 79,000,000 acres. Of these there are about 24,000,000 acres contained in land grants, Indian and military reservations, railroads grants and government entries.

The Queen of Siam is the proud possessor of the most valuable thimble in the world. It was presented to her by the King on the recent anniversary of their marriage, and cost \$65,000. The thimble must be rather awkward for actual use, since it is shaped like a lotus flower, each petal bearing the intertwined initials of the King and Queen. It is of gold, and is set with precious jewels. Alternate letters of pearls and diamonds on the rim tell of the marriage.

Special Services at the Central Presbyterian Church.

The special services that have been in preparation for several weeks past at the Central Presbyterian Church began last night.

Rev. J. C. Molloy, D.D., the talented Pastor of the Church, preached a strong sermon on "The Present Needs of this City," a nice audience being present.

Tonight he will preach again and on Monday night Rev. Dr. Lyons of the First Presbyterian Church of Louisville will take charge.

All are cordially invited to attend.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boonchee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. C. Peacor.

Mr. Alex Keene, aged 37, died of asthma and heart trouble at German town.

The weight of a car axle is but little less than that of a single wheel, ranging from 425 to 650 pounds. In the new steel cars, with a capacity of 100,000 pounds, the weight of the axles is about 900 pounds each.

Gus Straus of Lexington has received a cablegram from President of the Mantanzas (Cuba) Street Railways, authorizing him to purchase 200 mules, bred in the Bluegrass region, for use in pulling street cars. A number of Kentucky mules used in the United States Government during the war fell into the service of the street car company and gave much better satisfaction than the small Mexican animals. Mules are selling at Lexington for from \$90 to \$130 a head.

Eugene J. Hall, the poet and publisher, says that one dose of Foley's Honey and Tar restored his voice when hoarseness threatened to prevent his lecture at Central Music Hall, Chicago, J. Jas. Wood & Son and Armstrong & Co.
